I was always one of the wealthiest true inventor philanthropists in USA world history. Started FOIA.ONE IID 1-1958Aug15-1 at 1821 B Eastchester Drive, High Point NC. 27260.

back at age 3-7, then age 12 I procreated UNIOcracy.org after watching all news events worldwide and fully understanding WHO causes all wars and mass poverty. In 1972 it was the OPEC Energy Fossil fuel OIL warlords of Saudia Arabia who cut off OIL supplies TO DRIVE all competitors out of business. WORST was also JP MORGANS monopoly groups who created Stock Bonds, Stock Trading Platforms, Stock Options, and even Federal Reserve (privately held) of OUR assets to keep WE THE PEOPLE from withdrawing our assets out of THEIR full control.

NOW reversed by PURE raw mass publicity of ReINVESTALL.com directly control applied by WE THE PEOPLE

EVOTE.ONE FOIA.ONE is equality only middle class UTOPIA UNIOcracy.org

NOTE: No profit PROPHETKeith.com duncan is EVER honored or respected in their own home community, so I have travelled most of EUROPE and SE Asia 1985 forward to broadcast ALL ways and MEANS show as GODs Keys to OUR universe WHOIS-168 list attached as PDF files were ALWAYS the safe way to ... pass peer to peer information to WE GODS children, now 8.21 billion united forever by only FORTUNEONE.org application gifts back to WE THE PEOPLE of UNIOcracy.org
