TO GOV BRIAN KEMP + chief of Staff Lauren Currey Press Secretary Garrison Douglas

garrison.douglas@georgia.gov

Deputy Press Secretary Carter Chapman

carter.chapman@georgia.gov

The most critical ALL evidence is top of DUNCANClaim.org we spent 15 years recreating. Most critical documents are clearly filed as EVB* for Bashama, EVR* for Robert Dee ROSE, EVD Douglas vernon Duncan. Not attached since they are megabytes of THEIR evidence.

TODAY, 2025, Feb 4, we are personally delivering the Keys to Gods UNIVERSE named **UNiocracy.org** with no exceptions.

We are 100% victims of organized criminals led by ROBERT DEE ROSE, Brother terrorist Douglas Vernon Duncan and each person who judged we must be SILENCED forever by being kidnapped 6 times for 900 days for only reason to STEAL and destroy all our 50 years of patents, education, technology, and theology to UNIFY mankind once and forever. Currently Judge Raymond Asshold Jackson Norfolk VA 4:11cr112 has a USA GOV versus KeithBrentDuncan.org federal precedent ruling to kidnap anyone to be drugged to death by orders of anyone including organized criminals. Worst than what Hitlers henchmen did WW2 by genocide +8 million Jews and almost total destruction of MotherEarth since HE commanded he be GOD over all humanity by pure mass media propaganda of KILL THEM before they KILL us. master race criminal terrorist syndrome.

Clearly new chief of staff Lauren Curry is our very last direct contact as we have already recovered resurrected all required evidence to fast path convict 140 persons tied to NORFOLK VA 4:11cr112 and Cobb County TPO 11.1.1171, 11.1.7683 being criminally signed granted after ONLY Robert DEE ROSE and Ms. bashama bribed threatened Marietta POLICE report 1.11.2506 to claim we KIDNAPPED someone? and stole our very own lifetime assets Feb 4, 2011 when we CALLED 911 twice and arrived at the escape scene Marietta Square to witness WHY they let Ms. Bashama and Wendell Carraway GO after Ms. BASHAMA screamed OH BLOODY MURDER, she had been captured by Marietta 7 police officers who she subsequently met with Feb 9, 2011 Officer WISHON, photo proof I provided when i went to murdered Judge FABIER to sign 2 arrest warrants based on MY marietta PD 11.1.1171 most brutal U-Haul robbery of initially \$40,000 Usd of MY assets.

Further CRIMES against myself and FortuneONE.org where total destruction of YOUR new world utopia from Oct 3, 2011 through Jan 28, 2014 that has NEVER been investigated by anyone includes my 4 insurance companies policies \$4.2 million usd, and original granted signed certified Forsyth County Judgment 08SC-1345 held by Atty Berry Victor REYNOLDS my very own \$6K lawyer who I ordered to GO DIRECT to FBI AG and Governor and PRESS.

Atty Jimmy Deal 770-263-7200 Holcolm Bridge Road Norcross \$85K paid to him is also 100% guilty of most massive coverup destruction of everything I personally delivered to IRS amanda.d.houston@irs.gov IRS maurice, then FBI Atlanta Agent Lynn and Matthew, then USMarshall TOM SHELL and AG Sally Q yates on one day on or about Nov 12, 2011.

WHO do you actually TRUST and KNOW to protect my and YOUR life today while even GOV KEMP is now most highly respected and PAID in cash as first entity to actually .. your words please.....
